Spooky2 Testimonial 🧡

[A Gout Peptide Experience](#)

Husband woke up yesterday morning with a very swollen, very red, and very painful toe. His other toes were red as well. His father gets gout often, and so we assumed that was what it was. Our son ran the Gout peptide via remote, and this morning he woke, the redness is almost completely gone, swelling is minimal, and zero pain. He started the peptide around 11 am yesterday, and by 7 am this morning, pain was gone. He's in disbelief but so grateful!!!! He's on his feet in work boots today and pain-free.

Spooky2 Q&A 💡

[Has anyone had any success with restless leg \(RLS\)?](#)

I started using it several years ago in Remote mode but switched to using imprinted stickers in the last few years. She rarely has problems now and only uses the stickers when it flares up. [Click here to learn more.](#)

[Has anyone successfully used frequency to release excess weight?](#)

I had success applying weight loss programs to relatives and friends. However, I started with programs or peptides related to hormone balance, detox, balance nervous system, and so on. I used the peptide for weight loss, along with fat burn and metabolism. [Click here to learn more.](#)

[For autoimmune stuff, why would anyone choose to do a BFB "grade scan" over the "high frequency scan"?](#)

I recommend the BFB General or High Frequency scan over the grade scan for the GenX Pro. For the Spooky Pulse, the grade scan works well. [Click here for more discussion.](#)
