Spooky2 Testimonial 🥰

[Why GeneratorX Pro Became Indispensable to My Routine](#)

I have been using the Spooky2 GeneratorX Pro for over three years now, and it has become an indispensable part of my daily wellness routine.

Why I highly recommend it:

Dual Generators: The GeneratorX Pro lets you run two programs simultaneously, saving a massive amount of time.

Fast Biofeedback: The standalone biofeedback scan is incredibly quick and accurate, finding the exact frequencies my body needs in just a few minutes.

Rock-Solid Reliability: After three years of regular use, the hardware still performs flawlessly without a single issue.

Spooky2 Q&A 💡

[Do I have to put the Remote next to my left arm for DH frequencies?](#)

That's the original direction from the creator, David Halliday, who believed that putting the Remote near your left arm allows the frequency information to be

whether to follow this instruction and make adjustments when you feel necessary. [Click here to learn more.](#)

[Can I run a remote program and do a scalar biofeedback scan at the same time?](#)

No, this is not a good idea. The Remote program will interfere with the Scalar Biofeedback, meaning you will get false hits depending on what is running on the Remote at a given moment. It's OK to treat yourself in the Scalar field and with the Remote at the same time, though. [Click here to learn more.](#)

[Can I chain a peptide with a non-peptide program?](#)

Yes, chaining these will work. This is because each preset has its own settings, which are vastly different for peptide presets. [Click here for more discussion.](#)
